Features

We have a rolled edge on the top for safety and support. There is no rubber to come off or deteriorate.

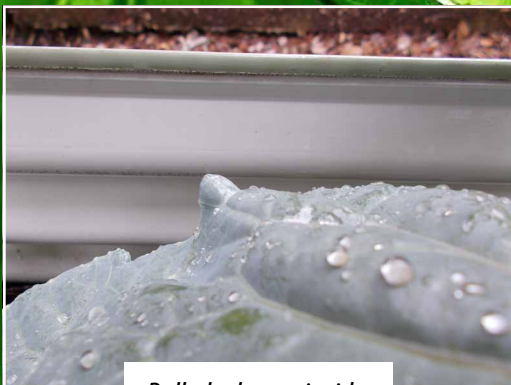

Alloy rivets - Water Tank grade. Tidy outside finish.

Squarer ends perfect for end to end beds or for corner spaces.

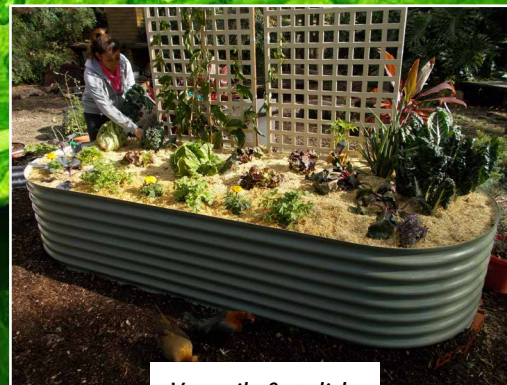

Constructed with 1 sheet of heavy grade corrugated steel and factory riveted so there is only one join. Support bracing for longer beds at no extra charge.

Rolled edge on inside.

Rivets with rounded edges inside.

Versatile & stylish.

Locally made from Heavy Duty Australian BlueScope steel. Fully assembled, ready to use and easy to install.
